This week sees new appointments announced at Envisage Cloud, IQ-EQ Luxembourg, and Gi Group UK & Ireland

Amy Hughes, Sales Manager Envisage Cloud

[Envisage Cloud](#), Ireland's largest Sage Partner, systems integrator, and software developer, has announced that it has appointed Amy Hughes as Sales Manager. Hughes brings extensive account management experience to her new role.

As Sales Manager, Hughes will be involved in driving profitable growth and positive business outcomes for the company's client base in Ireland through the delivery of growth-oriented technology solutions. Hughes will lead the Envisage Cloud sales teams to ensure all clients' needs are being met.

Before joining Envisage Cloud, Hughes spent three years with Sage Ireland, where she held the position of Account Manager. Here, she worked within the business partner division of the company where she managed Sage's Irish partner community.

Prior to her time with Sage Ireland, Hughes spent nine years with EBS, where she held the position of Assistant Branch Manager. In her role, Hughes oversaw a variety of operations including staff recruitment, coaching and budget planning.

Hughes brings highly specific market knowledge and experience to her new role. She has a proven track record in identifying operational challenges for businesses of every size, and delivering solutions to streamline and manage their businesses more effectively.
