“..save £10,000 every year with staff as well as to save employees time spent on processing invoices”

Colin Mayrs, Blair's Caravans Managing Director

“They provide invoices... and the software automatically fills in the different fields...”

Jeffrey Summer, Mulderij' Relationship Manager

“...soon after the software implementation start to see a significant reduction in time spent on looking-up invoices and an easier document flow across the different departments...”

Øyvind Haugen, Grenland Data Business Developer

“...a 30% increase in efficiency... has been achieved.”

Chris Houghton, Eventura's Owner

“...due to the perfect integration with Sage we can post invoices directly from PaperLess into Sage and find those documents in a matter of seconds...”

Pradip Shah, Ashgoal's Business Consultant

“Compared to any competitor PaperLess is just more value for money.”

Scott Gibson Eventura's Consultancy Director

“They provide invoices digitally that we put into UNIT4 Multivers PaperLess and the software automatically fills in the different fields...”

Jeffrey Summer, Mulderij' Relationship Manager

“...you do not have to keep your receipts... everything can be delivered digitally...”

Paul Van der Baan, founder of Paray

“PaperLess has made my role as the Financial Controller so much easier...”

Amy Jones, Eventura's Financial Controller

“...the future lies there: the online collaboration with customers with live access to their data records...”

Patrick Slomp, Mulderij's Manager

“...do not mistake PaperLess as document storage – it is much, much more than that.”

Pradip Shah, Ashgoal's Business Consultant
